

Crucial P1 500GB 3D NAND NVMe PCIe M.2 SSD Laptop Hard Disk

Product Specification

|                              |                      |
|------------------------------|----------------------|
| Brand                        | Crucial              |
| Model                        | CT500P1SSD8          |
| Type                         | SSD Laptop Hard Disk |
| Capacity                     | 500GB                |
| Form Factor                  | M.2 (2280)           |
| Sequential Read              | 1900 MB/s            |
| Sequential Write Performance | 950 MB/s             |
| Interface                    | NVMe (PCIe Gen 3 x4) |
