

D-Link 16CH Power Supply For CCTV

Product Specification

Brand	D-Link
Model	16CH
Type	Power Supply For CCTV
Input voltage	110VAC~300VAC
Frequency	47Hz - 53Hz
Output voltage	11.40-12.60VDC
Setup Rise time	< 10 mSec. at 230VAC input.
Hold Up Time	> 10 mSec. at 110VAC Input
Inrush current	< 50A Peak @ 230VAC Cold start at 25 Deg.
Leakage Current	<0.25mA / 265VAC
Auto Reset	During overload and short circuit
Efficiency	> 75% at all load conditions with complete AC input Operating Voltage (110VAC - 300VAC).
