

Netgate 1100 Security Gateway

Product Specification

Brand	Netgate
Model	1100
Type	Security Gateway
CPU	Marvell Armada 3720LP (88F3720) dual core ARM Cortex A53 processor @ 1.2GHz
CPU Core	Dual Core
Networking	1x Marvell 88E6141 networking switch 3x GbE Ethernet (WAN/LAN/OPT)
Storage	8GB eMMC Flash on board
Memory	1 GB DDR4 RAM on board
Expansion Slots	1x Mini PCIe slot(1)
Console Ports	1x Micro USB port (console)
USB Ports	1x USB 3.0 1x USB 2.0
LED	3 full color RGB LEDs (Pattern info here)
Others	Reset button heatsink
Form Factor	Plastic 110 x 84.6 x 31.75 mm (4.33" x 3.33" x 1.25")
Cooling	Fanless
Power	12V 2A DC 5.5mm x 2.1mm x 10mm jack, center pin positive (power over USB not supported)

Environmental	TBD
Power Consumption	3.48W (idle)
Certifications	CE FCC RoHS
Supported	Netgate Support TAC Lite Included Netgate Support TAC Professional and TAC Enterprise can be added for an additional charge All support services are provided by Netgate USA Voleatech is only a reseller in the sale of the service.
