

TP-Link MC220L Gigabit Ethernet Media Converter

Product Specification

Brand	TP-link
Model	MC220L
Type	Gigabit Ethernet Media Converter
Ports	1 x Gigabit SFP port 1 x 10/100/1000M RJ45 port (Auto MDI/MDIX)
Standards and Protocols	IEEE 802.3ab IEEE 802.3z IEEE 802.3x
Basic Function	Full Duplex Flow Control (IEEE 802.3x) Extends fiber distance up to 10km with single-mode fiber 0.5km for multi-mode fiber or up to
Wave Length	Depends on the used SFP module
Network Media 1000BASE-X	Multi-mode/Single-mode SFP module
Network Media 1000BASE-T	UTP category 5, 5e, 6 cable (maxium 100m) EIA/TIA-568 100Ω STP (maximum 100m)
LED Indicators	PWR Link/Act
Power Supply	External Power Adapter (9VDC/ 0.6A)
Max Power Consumption	1.7 W
Operating Temperature	0°C~40°C (32°F~104°F)
Storage Temperature	-40°C~70°C (-40°F~158°F)
Operating Humidity	10%~90% non-condensing

Storage Humidity	5%~90% non-condensing
